MEDIA EXPERIENCE

Podcast Producer & Video Editor

Feb. – May 2026

Humber Polytechnic, Toronto, ON, Canada

Produced over three hours of comprehensive lecture-style video content focusing on video game programming fundamentals. Functioned as the sole operator handling a multi-camera and multi-microphone setup, with post-production editing, and graphic design.

Video Editor

Feb. 2021 – Oct. 2023

Rede Bahia (*regional TV Globo affiliate*), Salvador, BA, Brazil

Edited video material for local TV and social media distribution, from multiplatform content, to create promotional material for programming, advertising campaigns and public service announcements. Worked with a small team in a tight schedule, attending broad corporate requirements. The produced material reached over 3 million people statewide, and over 300 thousand followers across different social media platforms.

Production Assistant Intern

Feb. – April 2019

Insight Production Company – *Big Brother Canada 7*, Toronto, ON, Canada

Assisted with production requirements during pre-production and shooting, mostly with the audience department during Live Eviction tapings. Other tasks included physical challenges testing and studio catering.
